Independent Auditor's Report

To

The Members of MJM Remedies Private Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **MJM Remedies Private Limited** which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these (Standalone) financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (Standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Loss for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. This report does not include a statement on the matters specified in paragraph 3 and 4 of the companies (Auditor's Report) order 2020, issued by the department of company affairs, in terms of sub section 11 of section 143 of the companies Act, 2013 since in our opinion and according to the information and explanation given to us, the said order is not applicable to the company.

2. As required by section 143 (3) of the Act, we report that:

a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c. the Balance Sheet, the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account

d. in our opinion, the aforesaid (Standalone) financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e. On the basis of written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

f. Based on our examination, which included test checks, the Company has used accounting software's for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software's. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

1 BACKGROUND

Headquartered in Chandigarh, India, MJM Remedies pvt Ltd is a Private limited company incorporated on 21st June, 2022 under the provision of Companies Act, 2013. Company is into Trading of Pharmaceutical products.

2 STATEMENT OF COMPLIANCE

The standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, as applicable.

3 BASIS OF MEASUREMENT

The standalone financial statements have been prepared on the historical cost basis except for: - certain financial assets and liabilities.

4 PROPERTY PLANT & EQUIPMENT**4.1 COST OF PROPERTY PLANT & EQUIPMENT**

All Property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are valued at cost/revalued cost net of tax credit wherever eligible. Cost includes all expenses and borrowing cost attributable to the project till the date of commercial production / ready to use.

4.2 DEPRECIATION /AMORTIZATION

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. Depreciation is provided on straight line method at the rates specified in schedule II of the Companies Act 2013 on pro rata basis and the assets having the value upto Rs. 5000 have been depreciated at the rate of 100%. Lease hold Land is amortized over the period of lease. The policy of company is to provide depreciation on the Buildings , Plant & Machinery and Other Fixed assets from the date of commercial production/ ready to use.

4.3 INVESTMENT PROPERTY

Properties that is held for long-term rentals or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of the investment property is replaced, the carrying amount of the replaced part is derecognised.

Investment property are depreciated using the straight line method over their estimated useful lives.

On transition to Ind AS, the Group has elected to continue with the carrying value of its investment property recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

5 **BORROWING COSTS**

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets have been capitalised as part of cost of assets. Other Borrowing costs are recognised as an expense in the period in which they are incurred.

6 **INVENTORIES**

Stock in Trade are valued at FIFO method.

7 **REVENUE RECOGNITION**

The Company has adopted Ind AS 115 'Revenue from Contracts with Customers' with the date of initial application being April 1, 2018. Ind AS 115 establishes a comprehensive framework on revenue recognition. Ind AS 115 replaces Ind

AS 18 'Revenue' and Ind AS 11 'Construction Contracts'.

a) **Sale of goods** - Performance obligation at a point in time Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts. Revenue is recognised on the basis of despatches in accordance with the terms of sale when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of the goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably. The timing of transfers of risk and rewards varies depending on the individual terms of sale.

CONTRACT BALANCES

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the

Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

SW

8 RETIREMENT BENEFITS

The retirement benefits of the employees include Gratuity, Provident Fund & Compensated absences. No provision is being made for these benefits.

9 TAXATION

9.1 Current tax

Current tax is the tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the standalone statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

9.2 Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set-off against future tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

9.3 Current and deferred tax for the year

Current and deferred tax are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

10 PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

A provision is recognized when there is a present obligation as a result of a past event, that probably requires an outflow of resources and a reliable estimate can be made to settle the amount of obligation. Provision is discounted to its present value wherever required and is determined based on the last estimate required to settle the obligation at the year end. These are reviewed at each year end and adjusted to reflect the best current estimate.

Contingent liabilities are disclosed in notes when there is a possible obligation that rises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are neither recognized nor disclosed in the financial statements.

11 TRADE RECEIVABLES & ADVANCES

Sundry debtors outstanding for more than three years at the end of Balance Sheet date will be written off from the books of accounts except disputed debtors having matters pending under different Courts.

Other advances and related party balances outstanding for more than 3 years are reviewed by the management at the end of every financial year and are written off as per the judgment of the management.

12 15.1 Useful lives of property, plant and equipment and Intangible assets

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This assessment may result in change in the depreciation expense in future periods.

16 OTHER ACCOUNTING POLICIES

Accounting Policies not specifically referred to are in accordance with generally accepted accounting principles including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

17 KEY RATIOS -ANNEXURE ATTACHED

18 DISCLOSURE OF TRANSACTIONS WITH STRUCK OFF COMPANIES

The company did not have any material transaction with companies struck off under Section 248 of the companies Act 2013 or section 560 of the companies act 1956 during the financial year.
